

Request under the *Freedom of Information and Protection of Privacy Act*:

The amount of capital costs and maintenance cost spent by BC Ferries on the Baynes Sound Connector since:

- *BC Ferries' takeover of the vessel from its builder in the fall of 2015; and*
- *The date of its first service in February 2016.*

Response:

BC Ferries' takeover date for the *Baynes Sound Connector* was on November 20, 2015 and the vessel's in-service date was on February 9, 2016. Actual expenditures are reported monthly which limits our ability to compile data for the precise dates. As such, the costs provided below are for the period from December 1, 2015 to January 31, 2016.

- Capital = \$267,414
 - Maintenance = \$7,162
-
