Dear []:

Re: Request under the *Freedom of Information and Protection of Privacy Act*

British Columbia Ferry Services Inc. (BC Ferries) received your request for access to information under the *Freedom of Information and Protection of Privacy Act* (the FOIPP Act) on June 16, 2017. Your request is for records related to the fees charged by BC Ferries to passengers with bicycles; in particular:

- When these fees were introduced (and on which routes);
- All of the revenues generated from these charges; and
- All funds spent on, and projected to be spent on, the provision of facilities for bikes on board BC Ferries.

Further to our letter of August 14, 2017, thank for your final payment of \$26.50, received by BC Ferries on August 29, 2017.

Enclosed please find copies of the records responsive to your request. As indicated in previous correspondence, we understand that the date span for your request is from April, 2003, when BC Ferries was converted to a regulated private company. In addition, we do not track the data you are seeking regarding “all funds spent on, and projected to be spent on, the provision of facilities for bikes on board BC Ferries”, as these items are subsumed into larger cost centres, such as general expenses for facilities. However, we have produced fiscal year totals from our asset management database using keyword searches for “bikes” and “bicycles” on two different fields. These totals will include some of the costs associated with bike infrastructure on BC Ferries vessels, but are not complete.

You can apply to the Information and Privacy Commissioner for a review of this response. You have 30 working days from receipt of this letter to request a review by writing to:
